Request for Pupil Leave of Absence From School In Exceptional Circumstances

This form should be used by parents wishing to request a leave of absence from school for their child/children.

Holidays in school time are discouraged by schools in the North Shropshire Teaching School Alliance, in line with the Local Authority and government policy, because they disrupt children's learning and education. Parents are asked to seriously consider the educational implications for their children, and also the impact for other children within the class, before making an application. Research shows that consistent attendance is crucial in giving children the best chance of success.

The law states that parents do not have the right to take their child out of school for holidays in term time and that holidays should only be authorised in exceptional circumstances by the headteacher.

Examples of circumstances which may be considered to be exceptional include the following:

- the serious illness/death of a close relative,
- parents in the armed forces who are between periods of active duty.

The exceptional circumstances can only cover a maximum of 10 days in a school year. If your child has accumulated other absences, or there have been previous requests under exceptional circumstances, the request will be less likely to be approved. Unfortunately, family holidays during term time for reasons of finance or convenience are not considered exceptional.

If your holiday request is not authorised and you decide to go ahead with the holiday you will automatically receive a 'Holiday in term time' letter from the Education Welfare Service and may incur a fine.
