Dear Parents

As I'm sure you are aware, Prees involves itself in as many sporting events as possible throughout the school year. In order to take children to these events we have to have your permission. Previously, this has been done for each individual event. This year, however, we will be sending out one permission form to cover all future events. This will help to save our time sending out and recording permissions, as well as your time remembering to return them to school!

We will send home a note with your child informing you they are participating in an event, in order that, you can make necessary arrangements for collecting them. Details will also be on the newsletter!

We like to publicise our successes and participation in sports, so we are also asking you to confirm if you give permission for your child to have their photograph taken for publication in our newsletter, website and in the local press.

Finally, we would also like your permission to administer emergency first aid if necessary.

Please complete the permission slip below, and return to school by Wednesday 1st October.

Yours sincerely

Mrs Y McDaniel
