Support for parent carers of children with SEND

Shropshire's Local Offer

Having access to good quality information to help you understand the world of SEND is important when making decisions about your child's life. This is where websites such as the Shropshire's SEND Local Offer can help you.

Cost of Living Support

Increases in the cost of food, fuel and utilities will continue to affect most households across Shropshire this year. If you find yourself worried about money or you are struggling right now, you are not alone. But do not wait to get help. Shropshire Council and many support organisations are seeing rises in the number of people seeking help, and as winter approaches you may see more delays in getting responses.
The good news is that there's help available.
The website: www.shropshire.gov.uk/cost-of-living-help/ was created in partnership with trusted community organisations to help you find the help you need, whether it's to get through a short-term crisis or to find more long-term support.

If you are concerned about someone's safety in an emergency dial 999, but for other calls to the police please ring 101. To report a safeguarding concern by phone ring the First Point of Contact team on 0345 678 9044 Monday to Thursday, 9am to 5pm, and Friday 9am to 4pm. If you have urgent adult safeguarding concerns outside of these hours, please phone the Emergency Social Work Duty Team on 0345 678 9040.
