

# Christmas Journey Day 2019

## Christmas Journey Day 2019 focused on the Christingle Service.

The children sang songs linked to the Christingle and learnt about its origins and significance at this special time of year.

An advent stained glass window was made and this is now proudly on display in our school hall.

We were fortunate enough to be joined by members of the community to help us to make our Christingles.

The children also wrote Advent Promises, highlighting the things that they would like to focus on at this important time of year.

The day culminated in a special Christingle Service for members of the community and our families. Our great thanks to Mrs Hodges and Dr Clifflands for supporting this special service.
