

PLATINUM SCHOOL GAMES MARK

We are delighted to announce that Prees CE Primary School has achieved the School Games PLATINUM Mark Award for the 2023/24 academic year. You can only apply for the Platinum School Games Mark after gaining five Gold School Games Marks.

The School Games Mark is a government-led award scheme launched in 2012, to reward schools for their commitment to the development of sport and competitions across their school and into the community, and we are delighted to have been recognised for our success.

We are extremely proud of our pupils for their dedication to all aspects of school sport, including young sports leaders, Thomas Adams School Sports Partnership, School Games, the officials and of course, Mrs Coles who all made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and to write a case study to demonstrate how we have embedded positive experiences of competition and how this has made a difference to our uptake. We have seen a huge uptake of children playing a variety of sports especially outside of school. We are giving the children the opportunity to experience inter house sports and a chance to participate in school sports.

We are so pleased that the hard work of all the children and Mrs Coles has been rewarded this year.
